

NOTICE OF NEIGHBORHOOD FORUM
GREENWAY PARK DISC GOLF COURSE
WEDNESDAY, MAY 27, 2009 – 7-9 P.M.
Conestoga Recreation & Aquatic Center
Room 203

The Tualatin Hills Park & Recreation District has received feedback from Greenway Park neighbors and other residents about the park's disc golf course and how it fits in with other activities there.

Since its opening in spring 2007, the disc golf course has generated many positive comments to us. But we've also heard from park users who are concerned about safety. They've pointed out conflicts between the disc golf course and the natural areas and walking paths. In addition, we have received a petition asking that the course be removed – an action that was opposed by other local residents and park users.

Whatever your ideas or opinions may be, please join the staff of the Tualatin Hills Park & Recreation District for a neighborhood forum on this topic. It will be held Wednesday, May 27, from 7 to 9 p.m. at the Conestoga Recreation & Aquatic Center, Room 203.

The purpose of the forum is to bring the wide variety of Greenway Park users together to discuss these differences of opinion. Through an open exchange of ideas, we hope to find a solution that is agreeable to everyone. In the end, our primary goal is to maintain Greenway Park as an open, inviting, multipurpose community park that everyone can enjoy.

THPRD staff from a variety of departments will be in attendance to provide information, answer questions, and facilitate the forum.
