

Tualatin Hills Park & Recreation District Garden Guidelines Guidelines and Plot Rental Agreement Form

Tualatin Hills Park & Recreation District (THPRD) promotes and provides gardening opportunities for residents in our service area. The gardens are intended to be a safe place for the community to harvest its own produce, small fruit plants, and flowers. The following set of guidelines has been designed to ensure the safety and integrity of the garden space and enjoyment for all who participate. By executing this agreement, the gardener agrees to abide by all of the guidelines outlined, in addition to those posted at the garden sites. Failure to abide by the guidelines may result in forfeiture of plot(s) or suspension for the remainder of the season.

Registration/Annual Fees:

- Garden fees must be paid at the time of the application. Plots for in-district (ID) patrons are \$35 for the first plot and \$45 for an additional plot with a maximum of two (2) plots per household. Plots for out-of-district (OD) patrons are \$45 for the first plot and \$55 for an additional plot. Smaller ADA accessible plots located at Schiffler Park, Bethany Lake Park and A.M. Kennedy Park are \$25. This agreement must be signed and returned with payment. Approval from THPRD must be granted **before** you can begin gardening.
- Schedule for renewal of garden plots:
 - Returning ID registration with a maximum of two (2) plots per household: October 1 – January 15. Failure to renew on time will result in the plot being reassigned.

 - Remaining plots made available to those ID wait list gardeners who already have plots: March 1 – March 31.
 - Remaining plots made available to OD gardeners, for that season only: April 1.
- No refunds will be issued after 30 days from payment.
- A valid THPRD account is required to rent a community garden plot. Setting up a THPRD account is free and easy. Please bring in any government-issued photo ID that includes your current address (for example, an Oregon Driver's license, Oregon Identification Card, Consular Identification Card). If your government-issued photo ID does not include your current address (for example a passport or out-of-state driver's license) please provide an additional proof of residency such as a utility bill, bank statement, or rental agreement. Please keep all contact information up to date with THPRD.

Summer Garden Season:

- The garden season is from November to October, which includes the opportunity for winter gardening.

- Water to the gardens will be available from March 15 through November 1 (weather permitting).

Community Garden Guidelines and Expectations:

- THPRD's community gardens are open from dawn to dusk.
- Gardeners are responsible for their plots the entire season. Gardeners must notify THPRD if they can no longer tend their garden plot. **The transferring of plots to other gardeners is not allowed.**
- Maintenance of garden plot(s) includes **WEEDING**. Weeds must be kept under control at all times. If plot(s) are found to have excessive weeds or are overgrown, the gardener will receive a warning via email and be given one (1) week to rectify the situation. If no email is provided, communication will be via a postcard and/or phone call. If no contact is made or no resolution is reached, a second and final warning will be issued via certified mail with an additional week to clean the plot(s). If no action is taken, the plot will be reclaimed and rented to another gardener on the waiting list. Gardeners who are unable to continue to manage their plots must notify staff immediately.
- All plants, planters and tools must fit inside the perimeter of the plot. Absolutely no materials, plants included, will be allowed in the pathways or along the perimeter fencing. Any plants growing outside a plot may be trimmed or cut back without notice.
- Absolutely no expansion of gardens beyond your designated and staked out plot(s) will be allowed.
- Crops are for home use, not commercial purposes, and must be legal. Do not plant trees. Do not plant invasive, perennial or fast spreading plants such as mint, bronze fennel, comfrey, lemon balm, horseradish, ivy, holly, lesser celandine, marsh marigold, etc. These plants will be subject to removal without notice.
- The growing of marijuana on THPRD property is strictly prohibited.
- Respect for other gardeners' need for sunlight is expected. Do not erect any structure or plant crops that would cause excessive shading on adjacent plots. Trellises or arbors are to be no more than six (6) feet high, may not shade neighbor's plots and may not be installed permanently. Plottolders need to let staff know immediately of any of the following:
 - Irrigation issues

Green waste stations are for garden waste only. If you observe any illegal dumping, please contact staff at 503/645-6433 or Park Patrol at 971/246-0169.
- Gardeners provide their own equipment (e.g. hoses, tools, seeds). Motorized vehicles and equipment are prohibited in the garden, with the exception of small rototillers.
- Do your part to conserve water by hand watering plants. Water before 10 am or after 6 pm.
- Please respect other gardener's spaces – do not pick vegetables, fruits or flowers that are not yours.
- THPRD will not be responsible for any improvements (including, but not limited to, garden plot borders, soil amendments, plantings, etc.) made to any garden plots. - Absolutely no tampering with the faucets or water lines at any time. Timers may be used if they are not hindering other gardeners' ability to use the water.
