RE: Information Regarding the November 3, 2008 Board of Directors Meeting

Agenda Item #4 – Presentations

A. Oregon Recreation & Park Association (ORPA) 2008 David E. Clark Professional Honor Award

Attached please find a memo from Jim McElhinny, Director of Park & Recreational Services, reporting that Amada Rich, ORPA Executive Director, will be in attendance at your meeting to present the David E. Clark Professional Honor Award to Laurie Conlin, Aquatic Center Supervisor. The award is presented to a professional ORPA member who, through incentive, inspiration and demonstration of leadership, has made noteworthy contributions over a period of time to the recreation and park movement.

B. National Recreation & Park Association (NRPA) 2008 Individual Citation Award

Attached please find a memo from Jim McElhinny, Director of Park & Recreational Services, reporting that Amada Rich, ORPA Executive Director, will be in attendance at your meeting to present the NRPA 2008 Leisure and Aging Individual Citation Award to Linda Jo Enger, Elsie Stuhr Center Supervisor. The award is presented to a member of the NRPA Leisure and Aging Section (LAS) that demonstrates excellence in the areas of service, leadership, and proven commitment to NRPA and the LAS branch through committee work, professional research, writings or speeches and elected office in Leisure and Aging through a state association.

C. Oregon Governor's 2008 Outstanding Senior Volunteer Award Nominee

Attached please find a memo from Jim McElhinny, Director of Park & Recreational Services, reporting that Doris Regan, Chair of the Elsie Stuhr Center Advisory Committee, has been nominated for the Oregon Governor's 2008 Outstanding Senior Volunteer Award for her contributions to the Stuhr Center over the past 15+ years. Doris has served as Chair of the Elsie Stuhr Center Advisory Committee, as well as volunteering to assist with social dances, special projects, and has served as a key volunteer for the Harvest Bazaar for many years.

Agenda Item #7 – Consent Agenda

Attached please find Consent Agenda items #7A-H for your review and approval.

Action Requested: Approve Consent Agenda Items #7A-H as submitted:

- A. Approve: Minutes of September 15, 2008 Regular Meeting
- **B.** Approve: Monthly Bills
- C. Approve: Monthly Financial Statement
- **D.** Appoint: Elsie Stuhr Center Advisory Committee and Jenkins Estate Advisory Committee Members

Page 1 of 2

- E. Approve: Service District Initiated Annexation Resolution
- F. Approve: Resolution for Annexation of Properties per Washington County Ordinance 624 and in Accordance with ORS 198.857(2)
- G. Approve: Telecommunications Site Lease Agreement with Clearwire Wireless
- H. Approve: Resolution Adopting Supplemental Budget for Fiscal Year Commencing July 1, 2008

Agenda Item #8 – Unfinished Business

A. General Manager's Report

Attached please find the General Manager's Report for the November 3, 2008 Regular Board Meeting.

Agenda Item #9 – New Business

A. Signage Master Plan

Attached please find a memo from Hal Bergsma, Director of Planning, providing an update regarding the Signage Master Plan project that will establish exterior signage design standards by creating a standards manual, which will improve sign system maintenance and management. Hal, along with Jason West of Designwest, the project consultant, will be at your meeting to answer any questions the Board may have.

Action Requested: Board of Directors discussion and feedback on the proposed sign design concepts. If the proposed sign concepts are acceptable, staff and the consultant would like to receive Board direction to move forward to the next phases of the project. If the Board has additional concepts or ideas, staff and the consultant would like to hear those recommendations and would like Board consensus so those recommendations can be incorporated into the next phases of the project.

RE: Oregon Recreation & Park Association 2008 David E. Clark Professional Honor Award

At the 2008 Oregon Recreation & Park Association (ORPA) Annual Conference, Laurie Conlin, Aquatic Center Supervisor, was awarded the David E. Clark Professional Honor Award.

ORPA describes the honor as follows: Renamed in 2002 in recognition of the late Dave Clark, a longtime leader in Oregon parks and recreation, this is the highest recognition ORPA can bestow. The award is presented to a professional ORPA member who, through incentive, inspiration and demonstration of leadership, has made noteworthy contributions over a period of time to the recreation and park movement. Candidate must have been active in the field a minimum of 15 years and ORPA history of membership for at least 10 years.

Laurie Conlin has been very active at both the ORPA Board of Directors level and the Aquatics Section level within the organization. Her leadership in the profession and service not only to the Tualatin Hills Park & Recreation District, but also throughout the state is recognized and appreciated.

At the Board of Directors' November 3, 2008 meeting, Amada Rich, ORPA Executive Director, will be in attendance to recognize Laurie for her award and make comments on her service.

RE: <u>National Recreation & Park Association 2008 Individual Citation Award</u>

At the 2008 National Recreation & Park Association (NRPA) Annual Congress, Linda Jo Enger, Elsie Stuhr Center Supervisor, was awarded the Leisure and Aging Section (LAS) Individual Citation Award.

MEMO

The Leisure and Aging Section annually recognizes members and organizations that have rendered outstanding service to the leisure and aging movement within parks and recreation. The NRPA Leisure and Aging Individual Citation is awarded annually to a member of the NRPA Leisure and Aging Section that demonstrates excellence in the areas of service, leadership, and proven commitment to NRPA and the LAS Branch through committee work, professional research, writings or speeches and elected office in Leisure and Aging through a state association.

Linda Jo Enger has worked closely with a number of agencies that sponsor legislation for the older adults of our community, state, and nation. She has served on the boards of two state older adult associations, Oregon Association of Senior Centers and Section for Older Adult Resources. Linda Jo has had the opportunity to present programs at the state and national level on older adult programming, and has written several articles for the Oregon Recreation & Park Association magazine. Her leadership in the profession and service not only to the Tualatin Hills Park & Recreation District, but also throughout the state and nation, is recognized and appreciated.

At the Board of Directors' November 3, 2008 meeting, Amanda Rich, ORPA Executive Director, will be in attendance to recognize Linda Jo for her award.

RE: <u>Oregon Governor's 2008 Outstanding Senior Volunteer Award Nominee</u>

Doris Regan, Chair of the Elsie Stuhr Center Advisory Committee, has been nominated for the Oregon Governor's 2008 Outstanding Senior Volunteer Award for her outstanding contributions to the Stuhr Center over the past 15+ years.

This award, presented by Oregon Volunteers, State Commission for Voluntary Action and Service, recognizes volunteers that have demonstrated dedication, commitment, and determination in promoting and supporting volunteerism throughout Oregon, and have worked to strengthen communities and improve the quality of life for Oregon residents through service.

Doris has served as Chair of the Elsie Stuhr Center Advisory Committee, as well as volunteering to assist with social dances, special projects, and serve as a key volunteer for the Harvest Bazaar for many years.

Doris will be present at the Board of Directors' November 3, 2008 meeting to receive recognition for this nomination.

TUALATIN HILLS PARK & RECREATION DISTRICT^[7A]

Tualatin Hills Park and Recreation District Minutes of a Regular Meeting of the Board of Directors

A Regular Meeting of the Tualatin Hills Park and Recreation District Board of Directors was held at the HMT Recreation Complex, Peg Ogilbee Dryland Training Center, 15707 SW Walker Road, Beaverton, on Monday, September 15, 2008. Executive Session 6:00 p.m.; Regular Meeting 7:00 p.m.

Present: Larry Pelatt Bob Scott William Kanable Joseph Blowers John Griffiths Doug Menke

President/Director Secretary/Director Secretary Pro-Tempore/Director Director Director General Manager

Agenda Item #1 – Executive Session (A) Legal (B) Land

President, Larry Pelatt, called Executive Session to order for the following purposes:

- To consult with counsel concerning the legal rights and duties of a public body with regard to current litigation or litigation likely to be filed, and
- To conduct deliberations with persons designated by the governing body to negotiate real property transactions.

The Executive Session is held pursuant to ORS 192.660(2), which allows the Board to meet in Executive Session to discuss the aforementioned legal and land issues.

President, Larry Pelatt, noted that representatives of the news media and designated staff may attend the Executive Session. All other members of the audience are asked to leave the room. Representatives of the news media are specifically directed not to disclose information discussed during the Executive Session. No final action or final decision may be made in Executive Session. At the end of the Executive Session, the Board will return to open session and welcome the audience back into the room.

Agenda Item #2 - Call Regular Meeting to Order

President, Larry Pelatt, called the Regular Meeting to order at 7:20 p.m.

Agenda Item #3 – Action Resulting from Executive Session

There was no action resulting from Executive Session.

Agenda Item #4 – Presentations

A. Government Finance Officers Association Certificate of Achievement for Excellence in Financial Reporting Award

Keith Hobson, Director of Business & Facilities, introduced Marc Gonzales, Oregon Municipal Finance Officers Association Director, to present the Certificate of Achievement for Excellence in Financial Reporting Award from the Government Finance Officers Association for the Park District's FY 2006-07 Comprehensive Annual Financial Report. In addition, Keith introduced Cathy Brucker, Park District Finance Manager, to be recognized for the role the Finance Department played in receiving the award.

Mark noted that the Certificate of Achievement is presented to those government units whose annual financial reports are judged to adhere to program standards and represents the highest achievement in financial reporting. He noted that this is the third year in a row that the Park District has received this recognition and presented a plaque to the Park District.

 President, Larry Pelatt, thanked the Government Finance Officers Association for the recognition and thanked the Finance Department for their efforts in receiving such a prestigious award.

B. Oregon State Federation of Garden Clubs

Jim McElhinny, Director of Park & Recreational Services, introduced Marcia Whitelock, President of the Oregon State Federation of Garden Clubs, to present the Oregon State Federation of Garden Clubs Garden of Distinction Award in honor of the Jenkins Estate. In addition, Jim introduced Jan Regnier, Jenkins Estate Advisory Committee Chair; Lisa Novak, Superintendent of Programs & Special Activities; Lynda Myers, Jenkins Estate Center Supervisor; and, in particular, Jim MacDonald, Jenkins Estate Gardener, to be recognized for their roles in receiving the award.

Marcia noted that the award is not given annually and is awarded only when a garden has consistently met the qualifications required to become a "garden of distinction". She noted that it is a state-wide award and that the only other recipients include the Oregon Garden in Silverton, the Columbia Gorge Hotel & Garden in Hood River, and the Owens Memorial Rose Garden in Eugene. Marcia provided a detailed history of the progression of the gardens at the Jenkins Estate, noting that the Pioneer District Garden Club nominated the Estate for the award and has been long involved in the Jenkins Estate's gardens. Marcia presented a plaque to Jim MacDonald and the Park District.

✓ President, Larry Pelatt, thanked the Park District staff and volunteers for all of their efforts in making the Jenkins Estate garden worthy of such prominent recognition.

Agenda Item #5 – Audience Time

There was no testimony during Audience Time.

Agenda Item #6 – Board Time

Bill Kanable commented that the attendees of the recent Special Park Districts Forum enjoyed visiting the Jenkins Estate.

John Griffiths asked who is planning on attending the upcoming National Recreation & Park Association annual conference.

✓ Bill Kanable confirmed that he would be attending.

Joe Blowers commended Lisa Novak, Superintendent of Programs & Special Activities, for all of her efforts in the Park District's Community Gardens Program, noting that each of the gardens are completely full, which is a huge change from the past. He has received many positive comments on the program from residents while tending his garden plot.

✓ Lisa commented that there is a waiting list for garden plots and that Allan Wells, Park Maintenance Coordinator, assists her a great deal with the program.

Bob Scott noted that he attended a recent bond measure informational presentation to Citizen Participation Organization (CPO) #7 and heard only positive comments. On a different topic, a patron did discuss with him the possibility of a running trail in a vacant lot near Westview High School.

✓ Doug Menke, General Manager, noted that staff would follow up with the patron. Bob noted that another patron stated that the Park District is partnering with Westview High School on their weight room.

✓ Doug replied that the Park District is in preliminary discussions with Westview High School on this topic.

President, Larry Pelatt, provided a brief overview of a recent bond measure informational presentation to the Highland Neighborhood Association Committee (NAC) he attended, noting that the comments were generally positive.

Larry commented that there has been some discussion regarding the October Board of Directors meeting schedule.

✓ Doug confirmed this, noting that with the combination of a focus on attending bond measure informational presentations and with a light agenda for October, it has been proposed to cancel the October Board of Directors meeting. The next Board of Directors meeting would be on November 3, 2008.

Larry noted that if this is acceptable to the Board of Directors, he encourages the Board members to attend as many bond measure informational presentations as possible.

✓ It was the consensus of the Board of Directors to cancel the October Regular Board Meeting.

Doug encouraged the Board to review the bond measure informational presentation schedule for any presentations they wish to attend.

- ✓ Larry confirmed that he would attend the CPO #3 meeting.
- ✓ Bill confirmed that he would attend the Neighbors Southwest NAC meeting.
- ✓ Joe confirmed that he would attend the CPO #1 and Beaverton Committee for Citizen Involvement (BCCI) meetings.
- ✓ Bob confirmed that he would attend the West Beaverton NAC meeting.
- ✓ Bill confirmed that he would attend the Beaverton City Council meeting.
- \checkmark John confirmed that he would attend the Aloha Rotary meeting.
- ✓ Larry confirmed that he would attend the Voters Forum at City Hall.
- ✓ Bob confirmed that he would attend the Five Oaks NAC meeting.
- \checkmark Joe confirmed that he would attend the Greenway NAC meeting.

Larry encouraged the Board members to continue to review the schedule and to contact Doug regarding any other presentations they may be able to attend.

Agenda Item #7 – Consent Agenda

Bill Kanable moved the Board of Directors approve Consent Agenda items (A) Minutes of August 4, 2008 Regular Meeting, (B) Monthly Bills, (C) Monthly Financial Statement, (D) Jenkins Estate Advisory Committee Member, (E) Cooperative Agreement for Partners for a Sustainable Washington County Community, and (F) Resolution Authorizing Transfer of Metro Local Share Funds. Joe Blowers seconded the motion. Roll call proceeded as follows:

John Griffiths	Yes			
Bob Scott	Yes			
Joe Blowers	Yes			
Bill Kanable	Yes			
Larry Pelatt	Yes			
The motion was UNANIMOUSLY APPROVED.				

Agenda Item #8 – Unfinished Business

A. Audit Committee

Keith Hobson, Director of Business & Facilities, provided a brief overview of the memo included within the Board of Directors information packet, noting that staff is requesting Board approval of two appointments to the newly formed Audit Committee. The Audit Committee was authorized at the April 7, 2008 Board of Directors meeting and requires the appointment of three members, one each from the Board of Directors, Budget Committee, and the general public. Bob Scott, Board Secretary, volunteered to fulfill the Board position and Elisabeth Zeller, Budget Committee member, has expressed interest in appointment to the Committee. Advertising for the general public position generated five applications and a review committee, consisting of Larry Pelatt, Bob Scott and Elisabeth Zeller, reviewed and ranked the applicants. The committee concurred that Kathleen Leader was the first choice for appointment to a one-year term, as the general public representative of the Audit Committee. Keith noted that the action requested of the Board this evening is appointment of Elisabeth Zeller to a two-year term and Kathleen Leader to a one-year term on the Park District Audit Committee.

Bill Kanable moved the Board of Directors appoint Elisabeth Zeller as the Budget Committee member for a two-year term and Kathleen Leader as the public representative for a one-year term to the Park District Audit Committee. Joe Blowers seconded the motion. Roll call proceeded as follows:

Bob Scott	Yes
John Griffiths	Yes
Joe Blowers	Yes
Bill Kanable	Yes
Larry Pelatt	Yes
The motion was U	NANIMOUSLY APPROVED.

B. General Manager's Report

Doug Menke, General Manager, provided a detailed overview of the General Manager's Report included within the Board of Directors information packet, which included the following topics:

- Budget Committee Vacancies
 - It was the consensus of the Board of Directors to begin accepting applications from the public to serve on the Park District Budget Committee.
- November 2008 Bond Measure Information Program
 - Bob Wayt, Director of Communications & Development, provided a brief status report on the bond measure information program, describing the informational mailer, as well as the informational presentations taking place to various community groups over the next two months.
- Skate Park Opening & Dedication
- Washington County Urbanization Forum

- Regional Parks System Summit
- Special Park Districts Forum
- December Board of Directors meeting
 - It was the consensus of the Board of Directors to schedule the December Board meeting for December 8, 2008.

Doug offered to answer any questions the Board of Directors may have regarding the General Manager's Report.

Larry Pelatt referenced the timing of the bond measure informational mailer and asked whether the mailer should be sent closer to the date that the mail-in ballots are sent out.

- ✓ Doug replied that this question was posed to the consultant and that he was of the opinion that the Park District's mailer should be sent out just early enough not to be overwhelmed by other election materials being mailed.
- ✓ Bob Scott noted that the Vote Yes campaign is planning on sending out mailers closer to when the ballots arrive.

Larry asked Joe Blowers if he would continue to represent the Board of Directors through the Urbanization Forum process.

 \checkmark Joe confirmed this, noting that he has a schedule conflict with the next Forum date.

Bill Kanable described the Special Park Districts Forum he attended, noting that it was an educational experience and very complimentary to the Park District.

Agenda Item #9 – Adjourn

There being no further business, the meeting was adjourned at 8:00 p.m.

Larry Pelatt, President

Bob Scott, Secretary

Recording Secretary, Jessica Collins

Tualatin Hills Park and Recreation District

General Fund Financial Summary September, 2008

[7D]

MEMO

DATE:	September 15, 2008
TO:	Doug Menke, General Manager
FROM:	Jim McElhinny, Director of Park & Recreational Services

RE: <u>Elsie Stuhr Center Advisory Committee and Jenkins Estate Advisory</u> <u>Committee Members</u>

Summary

Staff requests Board of Directors approval of one Committee member appointment to the Jenkins Estate Advisory Committee, and the approval of one reappointment to the Elsie Stuhr Center Advisory Committee.

Background

At their September 8, 2008 meeting, the Elsie Stuhr Center Advisory Committee recommended Board of Directors approval to reappoint Norm Vaillancourt to the Committee.

At their September 9, 2008 meeting, the Jenkins Estate Advisory Committee recommended Board of Directors approval to appoint Michael Wong to the Committee. Michael's application was the only one that was received.

Please note that the Advisory Committee members' applications are attached along with each Committee's current roster.

Action Requested

Board of Directors approval to appoint the requested individuals to the Elsie Stuhr Center Advisory Committee and the Jenkins Estate Advisory Committee.

RE: Service District Initiated Annexation Resolution

Summary

Staff seeks the Board of Directors approval and signatures for the Service District Initiated Annexation (Voluntary Annexation Program) resolution. Upon approval and signatures, Park District staff and the project consultant will submit the annexation application packet to Washington County for processing.

Background Information

In 2005, the Park District began a Service District Initiated Annexation process, which is also known as the Voluntary Annexation Program. The program is a 'willing' annexation program offered to all property owners in the Park District's ultimate service boundary whose property is not currently within the Park District, providing them the opportunity to voluntarily annex into the Park District. The Park District has offered the program for the last three years. In 2005, owners of 128 properties applied for annexation into the Park District. In 2006, owners of 23 properties applied and in 2007, owners of 47 properties applied. Therefore, 198 properties have been annexed into the Park District during the first three years that the program has been available.

For the 2008 Service District Initiated Annexation Program, approximately 5,000 invitations were mailed to owners of properties that are in the Park District's ultimate service boundary, but are not currently within the Park District. The application period ended on September 8, 2008 and the last day to withdraw a previously submitted application was set for September 19, 2008. The Annexation Program was advertised in the local Citizen Participation Organizations' newsletters and was highlighted in the local newspapers. The main component of the Service District Initiated Annexation Program is the offer by the Park District to pay for all of the annexation fees assessed by Washington County and other agencies.

Because of the complexity of the process and application, staff again hired a consultant to aid in the preparation of the documents and applications necessary to process annexations under the Service District Initiated Annexation Program with Washington County. The consultant has started preparing the necessary documents and applications to submit with the Board of Directors approved resolution to Washington County.

Proposal Request

At the end of the closing application period on September 8, 2008, 23 annexation applications had been returned to the Park District from property owners who 'willingly' requested

 Regular Meeting of the Board of Directors November 3, 2008

[7E]

annexation of their properties to the Park District (see attached Exhibit A). Park District attorney, Pam Beery, has reviewed and approved the resolution for signatures.

Benefits of Proposal

The most important benefit regarding this proposal is the addition of 23 new properties to the Park District.

Potential Downside to Proposal

There is no apparent downside to this proposal.

Action Requested

Board of Directors approval of the Service District Initiated Annexation Resolution authorizing annexation of 23 new properties to the Park District. In addition, authorization for staff to work with the consultant to submit the Service District Initiated Annexation application packet to Washington County for processing and approval.

Service District Initiated Annexation (Voluntary Annexation Program) Draft Schedule / Some dates are tentative, other dates are firm

July 2008	Mailing: Public outreach letters and forms to invite 'willing' participants to apply to the Service District Initiated Annexation Program (Voluntary Annexation Program)
September 8, 2008	Closing date for accepting applications to Service District Initiated Annexation Program (Voluntary Annexation Program)
September 19, 2008	Final date for patrons to withdraw their application from the process
November 3, 2008	Board of Directors approval and signature of resolution to proceed with the process
November 2008	Annexation application submitted to Washington County
January 2009	1 st Public Hearing
February 2009	2 nd Public Hearing (Approval by Washington County Commissioners constitutes applicants being technically considered in-District)
March 2009	Information sent to Metro and others for final processing and mapping
March 31, 2009	Effective date

RESOLUTION NO. 2008-11

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE

TUALATIN HILLS PARK & RECREATION DISTRICT

APPROVING PETITIONS FOR ANNEXATION TO THE DISTRICT

WHEREAS, ORS 198.857 authorizes the owner of a parcel of land to file a petition with the county board to annex that land to a district; and

WHEREAS, the District Board directed staff to review the District boundaries and determine whether property owners wish to voluntarily sign annexation petitions requesting annexation of their property to the District; and

WHEREAS, the owners of 23 properties responded favorably and have signed petitions for annexation of their properties to the District, which petitions are on file in the District Administrative Offices; and

WHEREAS, ORS 198.857(2) provides that such annexations must be approved by the endorsement of the District Board and then forwarded to Washington County for processing; and

WHEREAS, some of the properties described in the petitions for annexation are within the jurisdictional boundaries of the City of Beaverton, and the City of Beaverton City Council has consented to annexation of properties within the city limits to the District. A copy of the Beaverton Council Resolution is attached hereto as Exhibit C.

NOW THEREFORE BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE TUALATIN HILLS PARK & RECREATION DISTRICT:

- <u>Section 1.</u> The proposed annexation of the properties listed on the attached Exhibit A and depicted on the attached Exhibit B is hereby approved.
- Section 2. The District staff is hereby authorized and directed to submit this Resolution together with Exhibits A, B and C and the signed petitions for annexation from affected property owners to Washington County for processing in accordance with ORS 198.857.
- <u>Section 3.</u> The proposed annexation is supported by signed petitions from all of the owners of all land in the territory proposed to be annexed as required by ORS 198.857, and therefore an election is not required prior to annexation of the affected properties to the District. The District Board requests that the Washington County Board of Commissioners approve the annexation following a public hearing, and declare the affected property annexed to the District.

<u>Section 4.</u> This Resolution shall be effective immediately upon its adoption by the Board. Adopted this 3rd day of November, 2008.

Larry Pelatt, Board President

Bob Scott, Board Secretary

RESOLUTION NO. 3842

A RESOLUTION APPROVING PETITIONS FOR ANNEXATION OF TERRITORY WITHIN THE CITY OF BEAVERTON TO THE TUALATIN HILLS PARK AND RECREATION DISTRICT

WHEREAS, the Tualatin Hills Park and Recreation District (District) has adopted a voluntary program for annexation to the District; and

WHEREAS, the owners of four parcels within the City of Beaverton have requested annexation of their property to the District; and

WHEREAS, the District is the primary parks and recreation provider for the City; and

WHEREAS, Goal 5.8.1 of the City's acknowledged Comprehensive Plan states that the City shall: "Cooperate with THPRD in implementation of its 20-Year Comprehensive Master Plan and Trails Master Plan in order to ensure adequate parks and recreation facilities and programs for current and future City residents."

WHEREAS, ORS 198.720(1) requires cities to submit a resolution approving a petition for annexation to a district for property within their corporate limits; and

WHEREAS, the City wishes to encourage property owners within the City to annex their property to the District; and

WHEREAS, the City desires to be supportive of the District;

therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF BEAVERTON, OREGON

Council supports the annexation of any properties within the City to the Tualatin Hills Park and Recreation District when requested by the property owner(s).

RE: <u>Resolution for Annexation of Properties Per Washington County Ordinance</u> 624 in Accordance with ORS 198.857(2)

Summary

Staff is seeking Board of Directors approval of a blanket resolution for the purpose of approving the future annexation of properties to the Park District during 2009 per ORS 198.857 pursuant to Washington County Ordinance 624.

Background

ORS 198.857(2) states:

(2) When the owner of a parcel of land wants to annex that land to a district, the owner may file an annexation petition with the county board. The petition shall declare that the petition is filed pursuant to this section, state the name of the affected district and all affected counties, indicate the principal Act of the affected district and be signed by the owner of the parcel of land. Before the petition is filed with the county board, the petition must be approved by indorsement thereon by the board of the affected district and by any other agency also required by the principal Act to indorse or approve the petition.

In August of 2004, the Washington County Board of Commissioners adopted Ordinance 624. The key provision of that ordinance requires new development¹ on property that is not addressed by an urban service agreement or located in a park and recreation district to annex to a park district:

- When a park district has been identified as the long-term service provider to the area the development is located in, and
- When the proposed development is subject to a development application (e.g., a subdivision). The new development would also be subject to the park district's park SDC upon annexation.

As part of this Ordinance, the Tualatin Hills Park & Recreation District was established as the park and recreation service provider for the portion of the urban unincorporated area of the

7F

ADMINISTRATION OFFICE · 15707 SW Walker Road · Beaverton, Oregon 97006 · (503) 645-6433 · Fax (503) 629-6301 · www.thprd.org

¹New development means development where a land use application must be submitted, such as a new subdivision or commercial building. New development does not include the construction of a single family residence on a vacant lot or a lot that has received preliminary land use approval and the expansion or alteration of an existing single family home.

Regular Meeting of the Board of Directors November 3, 2008

county between the Hillsboro, Portland and Tigard urban service boundaries for which the District has adopted a Park Master Plan. Ordinance 624 amended the County Community Development Code to include a requirement that all new development in that area annex to the Park District. Typically, the developer will have to show compliance with this requirement before the County will record the plat or issue building permits.

Proposal Request

Since obtaining an endorsement from the Park District is a statutory requirement for annexation, staff worked with Park District Attorney Pam Beery last year to identify a process that would endorse annexation of all properties pursuant to Ordinance 624 for one calendar year, instead of individually on a project-by-project basis. In January of this year, the Board adopted such a resolution for 2008. This resolution will endorse the annexation of all such properties to the Park District during 2009 so developers will be able to promptly comply with the terms of the County's land use decision process. Park District legal counsel has reviewed and approved of the attached resolution.

Benefits of Proposal

By approving the blanket resolution for the purpose of approving the future annexation of properties to the Park District, per Ordinance 624, the Park District will not have to process the endorsement of annexation for each development on a project-by-project basis. The resolution will endorse annexation of all properties for an entire calendar year.

Potential Downside of Proposal

There does not appear to be any downside to this proposal.

Action Requested

Board of Directors approval of and signature on a blanket resolution for the purpose of approving future annexation of properties in Washington County, per Ordinance 624, during 2009. Additionally, the Board of Directors authorizes staff to submit the resolution to Washington County for processing.

RESOLUTION NO. 2008-12

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE TUALATIN HILLS PARK & RECREATION DISTRICT APPROVING ANNEXATIONS OF PROPERTY TO THE DISTRICT IN 2009 (Ordinance 624 Annexation).

WHEREAS, Washington County adopted Ordinance No. 624 in August, 2004, amending the Washington County Comprehensive Framework Plan for the Urban Area and Community Development Code by recognizing the Tualatin Hills Park & Recreation District ("District") as the long term park and recreation service provider in part of urban unincorporated Washington County and requiring developing properties in that area to annex to the District as a condition of any development approval; and

WHEREAS, ORS 198.857(2) requires that proposed annexations to the District be approved by the District Board; and

WHEREAS, it is anticipated that properties will be seeking development approval in 2009, and will thus be subject to the application of Ordinance 624 and ORS 198.857(2); and

WHEREAS, the District Board wishes to express its formal approval of annexations proposed in 2009 and to file the approval in the form of this Resolution with the Washington County Board of Commissioners for consideration at hearings during 2009.

NOW THEREFORE BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE TUALATIN HILLS PARK & RECREATION DISTRICT:

<u>Section 1.</u> The Board hereby approves the proposed annexation of properties to the District during 2009 pursuant to Washington County Ordinance 624.

<u>Section 2.</u> The District staff is hereby authorized and directed to file this Resolution and Exhibits with the Washington County Board of Commissioners.

Section 3. This Resolution shall be effective immediately upon its adoption by the Board.

Adopted this 3rd day of November, 2008.

Larry Pelatt, President

Bob Scott, Secretary

RE: <u>Telecommunications Site Lease Agreement with Clearwire Wireless</u>

Summary

Staff requests Board of Directors approval to enter into a new lease agreement for the placement of telecommunication equipment within the Waterhouse Trail, segment 6, south of Stoller Farms Park and north of John Marty Park (see attached map).

Background

Under the provisions of ORS 266, the Park District is authorized to enter into written agreements with other organizations for the performance of any or all functions and activities as deemed necessary. Additional authority for the Park District Board of Directors to consider telecommunication site lease agreements is specifically created in Board Policy 21.00.

It has been the practice of the Park District to approve the location of wireless facilities on its property, but only if doing so does not materially impact the property or its intended use. The practice has also been to limit approval to sites that use existing structures for the co-location of the cellular equipment. In May 2008, Clearwire Wireless contacted the Park District requesting to lease an area approximately 50 square feet, outside the footprint of Portland General Electric's (PGE) lattice tower within the Waterhouse Trail, segment 6, south of Stoller Farms Park and north of John Marty Park. Overall site plan is provided in Attachment A.

Proposal Request

Clearwire Wireless is seeking approval to lease ground space from the Park District in order to place ground equipment for a cellular transmitter. The request is for a 7-foot by 7-foot square area, approximately 20 feet outside the existing lattice tower.

The location of the proposed lease area was selected in order to (1) provide ample distance between the compound and the lattice tower for PGE maintenance, and (2) minimize visual impacts and ground maintenance requirements. Attachment B shows the location of the requested ground lease.

Per the Park District Board of Directors' Telecommunication Site Agreement and Implementation Policy 21.00, the following requirements are on file:

 Planning & Development, Maintenance, and Natural Resources Departments conducted a site assessment. None of these departments presented any concerns with the proposal.

 Regular Meeting of the Board of Directors November 3, 2008
 Page 1 of 2

 ADMINISTRATION OFFICE · 15707 SW Walker Road · Beaverton, Oregon 97006 · (503) 645-6433 · Fax (503) 629-6301 · www.thprd.org

[7G]

- A public meeting was held on October 14, 2008, to discuss the development plan. No one was in attendance for this meeting.
- The project is estimated to begin January 2009 and to be completed by April 2009.
- Clearwire Wireless did consider other lease options in several locations surrounding the proposed lease area. These would have created a visual impact requiring the placement of monopoles rather than co-location at the proposed lease area.

Clearwire Wireless has proposed lease compensation of \$7,200 annually (\$600 per month) for the initial term of a 5-year lease, with three additional 5-year terms, totaling a 20-year lease. Upon each renewal term, rent would increase three percent.

Fair market value of the lease area is approximately \$200 per month. Staff recommends not requiring funding of capital improvements given the lease compensation of \$600 per month.

Benefits of Proposal

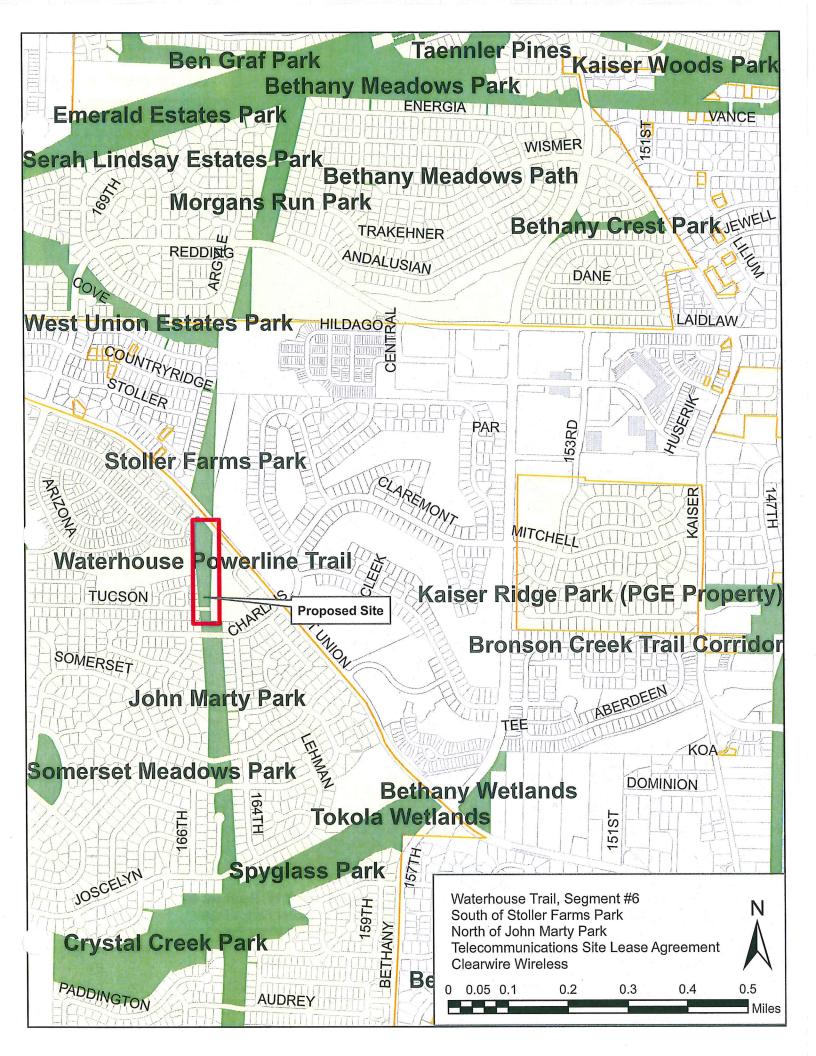

Approval of this proposal provides annual compensation, while improving wireless services to the community.

Potential Downside of Proposal

The only apparent downside to the proposal is the use of the ground space covered by the lease, although this will have minimal impact to park users.

Action Requested

Board of Directors approval to enter into a lease agreement with Clearwire Wireless for the placement of telecommunication equipment within the Waterhouse Trail, segment 6, south of Stoller Farms Park and north of John Marty Park, and to delegate authority to the General Manager, or his designee, to enter into the agreement and to negotiate final compensation, per Board of Directors policy.

RE: <u>Resolution Adopting Supplemental Budget for Fiscal Year</u> <u>Commencing July 1, 2008</u>

<u>Summary</u>

Staff is requesting Board of Directors approval of a resolution adopting a supplemental budget adjustment, due to unforeseen occurrences that have transpired since the budget adoption and requiring a change in the financial plan for the Fiscal Year 2008-09.

Background

In September 2007, the Park District purchased the Brady property for future park development. Future plans included the sale of the house, to offset the acquisition costs of the total property. The sale of the house occurred later than anticipated, resulting in an unplanned resource of \$494,950, received in July 2008.

Due to these unforeseen circumstances, the funds were not anticipated within the 2008-09 Fiscal Year for appropriation.

Proposal Request

The attached resolution adopts a Fiscal Year 2008-09 Supplemental Budget for the System Development Charge Fund, in the amount of \$494,950 from the Sale of Assets, and increases the System Development Charge Fund appropriations accordingly. Notice of the proposed Supplemental Budget has been published in accordance with Local Budget Law, and the resolution has been reviewed by the Park District's legal counsel.

Benefits of Proposal

The benefit of this proposal is the ability to expend the funds received from the Sale of Assets toward Capital Outlay – Land Acquisition, within the System Development Charge Fund.

Potential Downside of Proposal

There is no apparent downside to the proposal.

Action Requested

Board of Directors approval of the resolution adopting a Supplemental Budget for the Fiscal Year commencing July 1, 2008 and making appropriations there from.

RESOLUTION NO. 2008-13

RESOLUTION ADOPTING THE SUPPLEMENTAL BUDGET FOR THE FISCAL YEAR COMMENCING JULY 1, 2008

WHEREAS, the Board of Directors has determined that an occurrence that was unknown at the time the budget was prepared; the sale of an asset resulting in a resource of \$494,950 in the System Development Charge Fund, and

WHEREAS, the Board of Directors recognizes the need for a change in financial planning in the appropriation of said resources, and

WHEREAS, the Board of Directors approves the purpose of, and need for, the appropriation, and

NOW, THEREFORE, it is hereby resolved as follows:

1. The Board of Directors hereby authorizes the increase of resources and appropriations as follows:

System Development Charge Fund:								
Resource	Sale of Assets	\$494,950						
Appropriation	Capital Outlay - Land	\$494,950						

2. This Resolution shall be effective immediately upon its adoption by the Board of Directors of the Tualatin Hills Park & Recreation District.

Approved and adopted on November 3, 2008 by the Board of Directors of the Tualatin Hills Park & Recreation District.

Resolution No. 2008-13 ADOPTING THE SUPPLEMENTAL BUDGET FOR THE FISCAL YEAR COMMENCING July 1, 2008

MEMO

DATE:October 27, 2008TO:The Board of DirectorsFROM:Doug Menke, General Manager

RE: <u>General Manager's Report for November 3, 2008</u>

November 2008 Bond Measure Information Program

With Election Day quickly approaching, Bob Wayt, Director of Communications & Development, will provide a brief status report on the completion of the bond measure information program. Topics will include the informational efforts completed to-date, including the mailer and presentations to various community groups that have taken place over the past two months.

Budget Committee Applicant Screening

The Park District has received seven Budget Committee applications for two available positions. Two Board members are needed to serve on a screening committee to review the applications to determine if there is a clear consensus on the top two candidates to fill the positions. If there is a clear consensus, the committee would make a recommendation to the full Board to appoint the two individuals at the December Board of Directors meeting. Should there not be a clear consensus, the committee may elect to set up interviews with some or all of the applicants.

Legislative Update

- Staff will make contacts with our legislators immediately after the November 4 election to schedule visits. The purpose of the visits will be to update our Representatives and Senators on the Park District and our services. I will communicate with the Board the dates of the visits for those who may wish to attend.
- The Oregon Recreation & Park Association (ORPA), with Jim McElhinny as the ORPA Legislative Committee Chairperson, will be scheduling the 2009 ORPA Day at the Capital. This will be held later in January 2009 and will be an opportunity to go to Salem to visit with our Legislators and their staff. As Chairperson, Jim helped guide the formation of the 2009 ORPA Legislative Platform (attached) that will be shared with our Legislators. I will keep the Board updated as the day gets closer for those who may wish to attend.
- Keith Hobson and Hal Bergsma attended a summit on urban renewal concerns hosted by Tualatin Valley Fire and Rescue. The summit included representatives from several fire and rescue districts, park districts, the Beaverton School District, and SDAO. The specific topics of discussion were the impacts of urban renewal on special districts, and how these impacts can be limited.

Regular Meeting of the Board of Directors November 3, 2008

Page 1 of 2

[**8A**]

There was consensus among those attending that the special districts, including the school districts, should not promote targeted exemptions from tax increment financing, but should work together to ensure consistent treatment of all taxing agencies in tax increment financing.

ICMA Benchmarking Study

The Park District has been selected to be showcased in ICMA's (International City/County Management Association) newly published book, *What Works: How Local Governments Have Made the Leap from Measurement to Management*. The book features 75 case studies illustrating how performance measurement promotes positive change in 15 different service areas in local government. ICMA is the premier local government leadership and management organization. Its mission is to create excellence in local governance by developing and advocating professional management of local government worldwide.

Board Policies Update

Park District legal counsel has recommended a review of the current Board of Directors policies to bring the policies up-to-date, as well as to reorganize the policies into a more traditional format. Staff has begun the initial review process of the first draft of legal counsel's edits. The proposed updated Board policies will be presented to the Board of Directors for adoption this winter/spring.

1st Annual Leadership Breakfast

On October 9, 2008, I attended the 1st Annual Leadership Breakfast hosted by the Beaverton Area Chamber of Commerce and Mayor-elect Denny Doyle. A select number of area business leaders attended the breakfast, which provided an opportunity to discuss how Beaverton can help businesses grow. Topics included how to make Beaverton a business destination and what Beaverton should look like in the next four to ten years.

January Board of Directors Meeting

Due to the timing of the holidays, it is recommended that the January Board of Directors meeting be held on Monday, January 12, 2009.

OREGON RECREATION & PARK ASSOCIATION

An affiliate member of the National Recreation and Park Association.

Mission:

To provide resources for the public and our members who create community through people, parks and programs.

The Oregon Recreation and Park Association, a non-profit 501(c)(3) organization founded in 1954, is celebrating over 50 years as a network offering opportunities, information, and contacts directly related to the recreation and park profession.

Oregon Recreation Park Association Legislative Platform

The Oregon Recreation & Park Association (ORPA) adopted a comprehensive Legislative Platform for 2009. The full platform can be viewed on our website at www.orpa.org. Our top priority issues and actions are highlighted below.

Support Health and Wellness Services Through Park and Recreation

ORPA supports legislation that promotes health and wellness for our citizens and recognizes park and recreation agencies as partners in the delivery of health and wellness services to Oregonians. ORPA supports legislation that calls for and funds the formation of partnerships to provide such services. ORPA prioritizes legislation that facilitates and funds children's anti-obesity programs, after-school programs, children's supplemental meal programs, and other programs promoting the general good health and well being of Oregon's youth.

Protect Measure 66 Fund Allocations and Support OPRD Budget Request

ORPA opposes legislation that would divert constitutionally designated M66 funds from park uses. ORPA supports, at a minimum, maintaining the current level of funding for the Local Government Grant Program. ORPA supports increasing funding for the Local Government Grant Program if the increase does not negatively impact existing OPRD programs. ORPA supports and will advocate for the remaining OPRD 2009-2011 budget request.

Support Environmental Educations Programs For Park Providers and Partners

ORPA supports legislation that facilitates the delivery of environmental education for all ages, particularly children. ORPA supports funding for local park and recreation agencies, in cooperation with local and statewide partners, to provide environmental education experiences and programs for K-12 school children.

Protect Systems Development Charges For Parks and Recreation

ORPA opposes legislation that negatively impacts the ability of local governments to assess, collect, and use Park System Development Charges (SDCs) for growth related improvements and park land acquisition.

LEGISLATIVE PLATFORM 2009

The following principles are designed to assist the ORPA Legislative Committee and legislative advocates in determining appropriate action regarding legislation and ballot measures that impact park and recreation services in Oregon.

- **<u>Principle 1</u>** Maintain local control regarding park and recreation service delivery, policy development, and financial capacity.
- <u>Principle 2</u> Oppose unfunded mandates.
- **Principle 3** Maintain or enhance existing funding levels for state programs that are allied with and support public park and recreation agencies and programs. Maintain park and recreation agencies' eligibility for funding in existing programs and promote eligibility for funding in new programs.
- <u>Principle 4</u> Oppose proposals that would increase resources in one agency in exchange for reduced funding within other allied and partner agencies. Look always for opportunities to bring more resources to the table when new initiatives are proposed.
- <u>Principle 5</u> Foster opportunities for innovative alliances with existing agencies and partners to develop new ventures with private, commercial, non-profit and public organizations that will promote recreation programs and park facilities operation and construction.
- <u>Principle 6</u> Enhance the ability of park and recreation agencies to engage in efforts to further develop an environmental ethic among all Oregonians with a special focus on youth.

The ORPA Board of Directors has adopted the following priority actions for the 2009 Legislative Session.

- <u>Action 1</u> Oppose legislation that will negatively impact the ability for local governments to assess, collect, and use Park SDCs for growth related improvements including such provisions as limitations on charges, inappropriate changes in methodology, and/or elimination of Park SDCs.
- <u>Action 2</u> Advocate for the proposed State Parks Budget, specifically maintaining the current budget appropriation for the Local Government Grant Program. The ORPA President and Chair of the Legislative Committee shall meet with Oregon State Parks Director to review the proposed budget prior to the budget being submitted to the Governor.
- <u>Action 3</u> Monitor all land use legislation. Oppose legislation that limits or prohibits public agencies from acquiring and developing land for park and recreation purposes.
- <u>Action 4</u> Monitor legislation related to health and wellness, look for opportunities to form partnerships and advocate for programs that promote healthy lifestyles.
- <u>Action 5</u> Oppose efforts to eliminate the Land & Water Conservation Fund state assistance program. Support funding for LWCF and look for opportunities to support other federal legislation that will provide funding for local parks, trails, open space, programs and recreation facilities.
- <u>Action 6</u> Start a dialogue with promoters of the No Oregon Child Left Inside legislation and/or other similar environmental education programs. Explore the possibility of forming a broad coalition to promote such legislation.

TUALATIN HILLS PARK & RECREATION DISTRICT

MEMO

DATE:	October 29, 2008
TO:	Doug Menke, General Manager
FROM:	Hal Bergsma, Director of Planning

RE: <u>Signage Master Plan Update</u>

Summary

The goal for the Signage Master Plan project is to establish exterior signage design standards by creating a standards manual, which will improve sign system maintenance and management. The Signage Master Plan will include graphic design standards, signage classifications, proposed sign locations/criteria, installation and sign maintenance considerations, as well as a wayfinding plan for the Howard M. Terpenning Recreation Complex (HMT). The Signage Master Plan will include a variety of sign types in various classifications that are needed for the wide variety of conditions found on park/trail sites throughout the District. The standards that will be incorporated into the Signage Master Plan will be applied to all future signs for the District.

Background

On February 5, 2008 the District's Project Team met to discuss and gather information relating to existing signage, concerns, requests, and observations. This information was used to help develop the project scope and was included in the project's Request for Proposals (RFP) which was sent to seven design firms. Designwest was chosen as the consultant to work with staff to develop a Signage Master Plan for the District.

A Signage Master Plan tour was conducted by the District's Project Team to introduce the consultant to the wide variety of park sites, trails, facilities and signage within the District. Team members were able to provide background information in regards to signage, maintenance, location concerns, and overall signage needs. This information was used for the 'Determining Needs' phase of the project, which entailed reviewing and analyzing existing signage and assessing signage needs for the District.

Several staff meetings were conducted to determine the hierarchy of sign types to be developed for the signage classification system. Once determined, our consultant developed signage design concepts for each sign type within each sign family (site signs and trail signs). Upon Board acceptance of these first design concepts, Designwest will proceed with refining the sign designs for all of the signage classifications and will complete the wayfinding plan for the HMT complex. Designwest will also prepare a 'Draft' of the Signage Master Plan (graphics and text), which will be submitted to the Board of Directors at a future date for review and approval.

[9A]

Proposal Request

Jason West, Principal with Designwest, will be presenting the following design concepts and information at the Regular Meeting of the Board of Directors on November 3, 2008:

- Sign comparison Proposed standard site identification vs. existing site identification (Exhibit A).
- Sign context illustration (Exhibit B).
- Layouts of primary sign types/sign families (Exhibits C, D and E).
- Proposed symbols to be incorporated on future signs (Board presentation).
- Aerial views of two examples to illustrate how different sign types would be used (Board presentation).
- Cost estimates for the manufacturing, installation and maintenance of the proposed primary site sign vs. the current three-board sign (Board presentation).

Benefits of Proposal

The purpose for having a Signage Master Plan is to visually unify the signage throughout the District with standard sign sizes, colors, layout, text, font, etc. The proposed sign designs have taken into consideration the District's identity, site recognition, sign fabrication, ease of installation, maintenance, and resistance to vandalism. All of these elements are important components of a quality Signage Master Plan for sign system management.

Potential Downside of the Proposal

The downside of the proposal will be the cost to implement the new Signage Master Plan by replacing existing signs with new signs and adding new signs into the system. However, it is recognized that the implementation of this Signage Master Plan will need to be phased in over several years, which will minimize the cost impacts on the budget.

Action Requested

Board of Directors discussion and feedback on the proposed sign design concepts. If the proposed sign concepts are acceptable, staff and the consultant would like to receive Board direction to move forward to the next phases of the project. If the Board has additional concepts or ideas, staff and the consultant would like to hear those recommendations and would like Board consensus so those recommendations can be incorporated into the next phases of the project.

Management Report to the Board November 3, 2008

Administration

Hal Bergsma, Director of Planning Jessica Collins, Executive Assistant Keith Hobson, Director of Business & Facilities Jim McElhinny, Director of Park & Recreational Services Bob Wayt, Director of Communications & Development

- 1. <u>As part of THPRD's Public Awareness Program, 15-second messages that emphasize the social,</u> <u>environmental and economic benefits that the Park District provides to the community were</u> <u>broadcast on KGW-TV (Channel 8) between late August and late October.</u> To increase visibility, the messages are currently rotating on the THPRD Web site, where one of them pops up on the screen automatically whenever a visitor logs on.
- 2. <u>THPRD's primary communications tool with the community, its activities guide, is undergoing a significant redesign with the help of consultant JD White.</u> The community will get its first look at the new publication with the rollout of the winter/spring guide, which will be mailed in December. JD White is also assisting staff with redesign of the District's Web site. As is the case with the activities guide, the purpose of the redesign is to make the product more appealing and easier to use. Both tools are components of THPRD's public awareness program.
- 3. <u>As part of an effort to strengthen outreach to the Asian community while also broadening</u> <u>awareness of the bond measure, the Park District was a co-sponsor of the Beaverton Area</u> <u>Chamber of Commerce's annual Festival Japan</u>. The event was held September 27-28 at Uwajimiya on Beaverton-Hillsdale Highway. Attendance was estimated at 10,000-12,000. THPRD staff hosted a large display both days of the event. Separately, staff made a bond measure presentation to the Asian Health & Service Center in Beaverton in October.
- 4. <u>The Tualatin Hills Park Foundation Board of Trustees, under the leadership of current President</u> Janet Allison, is working diligently to expand its fund-raising capacity. A retreat was held October 29 at the Nature Park to discuss core values, fund-raising strategies, project decisionmaking guidelines, and more. Assisting the Trustees in the process is Jeri Alcock of OnCourse Consulting.

Aquatics

Sharon Hoffmeister, Superintendent of Aquatic Program Services

- 1. <u>Harman Swim Center staff is proud to begin our third year of the McKay Elementary School</u> <u>swim program.</u> We have noticed a huge improvement in the skills of our students. For some of them, this is their third year coming to Harman for lessons.
- 2. <u>Aloha-Huber Park Elementary School swim lessons are also underway at Aloha Swim Center.</u> Staff ran three groups through classes in October serving approximately 150 children.

3. <u>The Aquatic Center celebrated its 30th Anniversary on October 10.</u> Clubs provided demonstrations (synchro, diving and water polo). We had an Open House to promote Park District programs and activities as well as club programs. We also had display boards showing 30 years of pictures at the Aquatic Center, which our guests loved to see and reminisce.

Maintenance

Dave Chrisman, Superintendent of Maintenance Operations

- 1. <u>Park Maintenance staff recently renovated the infield area of the Eichler Park BMX bicycle</u> <u>track.</u> Crews leveled several of the interior ramps and removed rocks and debris from throughout the track. Maintenance and Program staff are now reviewing the site to determine appropriate maintenance services levels and standards. A proposal is also under consideration to allow an outside group to upgrade the site.
- 2. <u>Pool Maintenance staff are working with vendors to purchase swimming pool, anti-entrapment</u> <u>drain covers, which have been mandated by a new federal law.</u> The covers must be installed over each pool main drain by mid December. The covers, which must be stamped and approved by the Consumer Protection Agency, will not be on the market until November. Maintenance staff are working with pool staff and vendors to coordinate the installations. An appeal to extend the deadline has been filed by the National Park and Recreation Association.
- 3. <u>Park Maintenance staff are working with the American Legion to install a memorial dedicated</u> to the crew of the WWII submarine, USS Albacore, at Memorial Park. In addition to the submarine memorial, twenty US Flags will be posted along Washington Street at the east side of the park. The memorial will be completed by the November 11, Veteran's Day ceremony. Family members of the Albacore crew from throughout the country are expected to attend the ceremony.

Natural Resources & Trails Management

Bruce Barbarasch, Superintendent of Natural Resources & Trails Management

- 1. <u>Murrayhill Restoration</u>. Contractors used mulching mowers to cut down about seven acres of blackberries in October. The site will be treated to control blackberries in the spring and replanted next fall.
- 2. <u>Nature Park Items.</u> An informational kiosk and seating area were installed in front of the Interpretive Center. Construction on the regional trail along the eastern edge of the park is nearly complete. The annual Bug Fest had the largest attendance ever. The fall plant sale was an educational and financial success.
- 3. <u>Autumn Ridge Park Clean Up</u>. Natural Resources, Maintenance, and Security staff worked with neighbors to improve security and habitat by removing invasive plants and debris from the park.
- 4. <u>Volunteer Summary.</u> Four hundred sixty-five volunteers worked in fourteen different parks over the last two months, including Hyland Forest, Bauman, Rosa, Moonshadow, and Tualatin

Hills Nature Parks. They removed approximately 145 cubic yards of weeds, performed trail maintenance, conducted environmental education activities, and cleared English ivy off of 185 trees. Together, volunteers contributed approximately 2,100 hours of time, valued at \$38,000.

Planning & Development

Steve Gulgren, Superintendent of Planning & Development

- 1. <u>Westside Trail:</u> The contractor has completed the majority of the paving for the trail except 200 feet by Farmington Road. The concrete aprons at the sidewalk/road interface will be completed by the end of October and the entire project is tentatively scheduled for completion by the end of November.
- 2. <u>Jordan-Husen Park Master Plan:</u> Staff has negotiated a contract with the landscape architectural firm, 2.ink Studio, to complete design development and construction documents for the project. The project is being funded through the 2006 Metro bond measure proceeds. A kick-off meeting with the consultants was held October 21.
- 3. <u>Lowami Hart Woods:</u> Staff has completed overseeing the installation of the replacement bridge at Lowami Hart Woods. Replacing the bridge was an added project component to the original 2004 SDC project. The original \$100,000 SDC project was approved as a partnership project with Clean Water Services to complete stream bank restoration work on site. Due to the partnership, project savings were realized which allowed for the bridge replacement.

Programs & Special Activities

Lisa Novak, Superintendent of Programs & Special Activities

- 1. <u>The Cedar Mill Cider Festival was held Sunday, October 19 at the John Quincy Adams Young House</u>. This was the second year for the festival, and around 600 people enjoyed the music, cider, food, Rec Mobile, and historic displays and information.
- 2. <u>Volunteer Services & Special Event staff coordinated outreach and volunteer recruitment for</u> <u>several THPRD fall events</u>, including placement of over 90 youth volunteers from the Beaverton School District for Cedar Hills Fall Festival. Fifty-five students, 14-17 years of age, received certification for successfully completing the Park District's Leaders In Training Experience Program. Participants contributed over 5,000 volunteer hours, valued at over \$9,000, at summer camp programs.
- 3. <u>The Tennis Center air structure set-ups took place the week of September 29</u>, with the west structure opening for play on October 2. The east structure's opening was delayed an additional week as it was necessary to steam clean the interior. The east air structure is entering its 17th operating year.
- 4. <u>Harvest Bazaar was a huge success again this year at the Elsie Stuhr Center.</u> The event raised over \$27,000 and clocked 2,400 volunteer hours. A volunteer luncheon has been held to honor their many hours of service to the Stuhr Center.

Recreation

Eric Owens, Superintendent of Recreation

- 1. <u>The Cedar Hills Recreation Center Fall Festival was held Saturday, October 18, with overall attendance just under 1,800.</u> There was a great group of approximately 75 high school volunteers this year, who helped run all of the events during the Festival. Staff was able to secure a \$2,500 donation from Providence Hospital and total revenue for the event was \$7,888.
- 2. <u>Staff is working hard to get the Community School program off and running.</u> Two new schools, Jacob Wismer Elementary School and Raleigh Hills School, have agreed to join the program in the winter. This brings the total to five schools participating in this new program.
- 3. <u>The Garden Home Discovery Club After-School Program is full (65) with the longest waiting</u> <u>list ever.</u> Our program at McKay Elementary School has 24 kids and we are adding more in the coming months. Last year at this time, there were 14 children registered at McKay.
- 4. <u>Zumba, aerobics to Latin and international music, seems to be the new wave in fitness classes.</u> Cedar Hills Recreation Center started this program with one class in the 2008 Winter/Spring Activities Guide with 18 students in the winter and 31 in the spring. A second class was added in the summer with 50 participants in all. This fall term, there are three Zumba classes with over 80 students registered.

Security Operations

Mike Janin, Superintendent of Security Operations

- 1. Due to repeated graffiti complaints and clean up on the abandoned structure at Arnold Park, Security Operations worked in partnership with the Beaverton School District (who owns the building) and the Washington County Sheriff's Office (who provided free labor by utilizing an inmate work crew), and the structure was torn down. Inmate crews also provided labor in the center of the park to trim bushes, creating a line of sight for greater visibility through the park. The park is used by children walking back and forth to the International School of Beaverton. Security Operations also worked with PGE and restored the six lights in the park.
- 2. <u>All staff are reviewing the Emergency Response Plan (ERP) and are anxiously awaiting their</u> <u>facilities' first scenario.</u> The Athletic Center was the first to participate in a scenario which involved a lost child and conducting a search of the HMT Recreation Complex. Approximately 25 staff participated. Security Operations is also extending familiarization of the ERP to coaches that use our facilities for leagues and groups like the Jenkins Estate hostesses.
- 3. <u>Security Operations recently investigated an unauthorized dumping of household trash in a</u> <u>dumpster at one of our recreational facilities.</u> After Security Operations sifted through the garbage, not only was the owner of the garbage identified, but stolen items were discovered from three car break-ins throughout the Portland Metropolitan area. Local police are investigating.

Sports

Scott Brucker, Superintendent of Sports

- 1. <u>Athletic Field Projects:</u> Staff has completed the construction of eight dugout covers at Sunset Park. The construction materials were funded through the Baseball/Softball Steering Committee Sunset Park Improvement Funds. The completion is a culmination of several years of planning and fund raising on the behalf of the baseball and softball communities.
- 2. <u>Sports Leagues:</u> Winter youth basketball registration is open for team and individuals. There have been nine Parents Alliance of Youth Sports (PAYS) registration meetings with two remaining. Team registrations are due on November 3; individual registrations will continue to be accepted. Metro Junior tryouts are being held the week of November 3. Middle school competitive and recreational tryouts for individuals were held the week of October 26.
- 3. <u>Affiliated Users:</u> Fall youth football and soccer will compete through mid-November. Fall youth baseball and softball completed their season the last week of October.

Business Services

Cathy Brucker, Finance Manager Nancy Hartman-Noye, Human Resources Manager Mark Hokkanen, Risk and Contract Manager Ann Mackiernan, Operations Analysis Manager Phil Young, Information Services Manager

- 1. <u>All exempt employees and their supervisors completed their first quarterly review meeting in</u> <u>October to discuss the progress made toward the completion of their 2008-09 goals.</u> This is a component of the new performance compensation policy adopted by the Board of Directors last year. The purpose of the quarterly meetings is to review the previous quarter and to provide feedback in order to adjust the work plan for the next quarter, if necessary, and to ensure the goals established are correctly prioritized and remain in support of the Comprehensive Plan, Park District annual goals, and mission statement.
- 2. <u>The RFP due date on the Energy Savings Performance Contract (ESPC) was extended to</u> <u>November 21</u> from an original due date of October 10 after receiving requests from interested vendors for copies of the preliminary Energy Trust of Oregon (ETO) energy audits which will not be available until November 7. Moving the RFP due date will delay the Board of Directors appointment of the Energy Savings Company (ESCO) from December 2008 until January 2009 and allow the Park District to have the best pool of vendor candidates for consideration.
- 3. <u>All class fee calculations for the Winter/Spring Activities Guide are being reviewed by the</u> <u>Operations Analysis staff</u> to ensure compliance with the 15% fee increase cap approved by the Board through the Fee Study. Per the Fee Study, program fee increases are being phased in over a four-year period, beginning January 2008, with no annual increase to exceed 15%.

- 4. <u>Information Services staff has completed the conversion of the Park District's data network</u> <u>from Verizon and Qwest to Comcast.</u> The work was completed on September 19; this change has increased communications between all facilities by 600%.
- 5. <u>On September 22, the Park District was approved as a new member of the Washington County</u> <u>Broadband User Group (BUG)</u>. Staff is currently working on meeting all of the BUG's technical requirements so that we can be connected to the BUG by December. This will greatly improve the speed and reliability of our online registration.
- 6. <u>The newly appointed Audit Committee held their first meeting on October 8.</u> The Committee met with staff and the District Auditor, and reviewed the previous year's financial statements and fiscal procedures currently in place. The Audit Committee will next meet on November 17, to review the current statements, prior to presentation to the Board of Directors.
- 7. <u>The Park District is eligible to receive a Longevity Credit from Special Districts Insurance</u> <u>Services (SDIS) in the amount of \$65,516</u>. This credit was made available only to districts that have been with SDIS for at least five years and have maintained a loss ratio of at least 65% or better. In order to receive the credit, the Park District must agree to extend its Property and Liability coverage through December 31, 2011. In addition, SDIS guarantees a maximum annual cap of 3% on rate increases, if the loss ratio remains at 65% or better.

KEY

Budget Estimate based on original budget - not started and/or no basis for change Reallocated Project Scope has been reduced to provide funding for another project Award Estimate based on Contract Award amount or quote price estimates Complete Project completed - no additional estimated costs to complete.

TUALATIN HILLS PARK & RECREATION DISTRICT

Serving Beaverton and the west side since 1955.

MEMORANDUM

Date: October 20, 2008

To: Board of Directors

From: Keith Hobson, Director of Business and Facilities

Re: System Development Charge Report for August 2008

Below please find the various categories for System Development Charges, i.e., Single Family, Multiple Family, Manufactured Housing Unit, and Non-residential Development. Also listed are the collection amounts for both the City of Beaverton and Washington County, and the 1.6% handling fee for collections through **August 2008**.

Type of Dwelling Unit	Current SDC per Type of Dwelling Unit
Single Family	\$6,783.00 with 1.6% discount = \$6,674.47
Multi-Family	\$5,071.00 with 1.6% discount = \$4,989.86
Manufactured	\$2,521.00 with 1.6% discount = \$2,480.66
Non-residential	\$176.00 with 1.6% discount = \$173.18

City of Beave	rton Collection of SDCs		Receipts	Collection Fee	Total Revenue

Tualatin Hills Park & Rec names Chase to direct school program

Tuesday, September 23, 2008

The Hillsboro Argus

Longtime recreation and education programmer Spencer Chase has been selected as coordinator of the Tualatin Hills Park & Recreation District's new Community School Program.

Chase, a 10-year THPRD employee, will plan, organize and coordinate sports, recreation classes, special events, educational and social programs and activities at certain Beaverton School District facilities. He will also lead THPRD's after-school program at Garden Home Recreation Center, where his new job is based.

As part of the Community School Program partnership with BSD, THPRD will develop and implement programs during evenings when schools are out of session. Initially, Five Oaks Middle School, Barnes Elementary and Hazeldale Elementary will host classes. THPRD hopes to secure memorandums of understanding with other BSD schools in the future.

The Community School Program will provide a variety of activities serving age groups from elementary school students to adults. A limited schedule of classes will be offered in late October or early November as the program gets under way.

Those classes will include sports (such as soccer and basketball), education (reading, English and Spanish), computers, music and the arts. Beginning in mid-October, students may register online at www.thprd.org/activities/index.cfm and click on "Online Registration." They will also be able to drop off a registration form and payment at any of the three participating schools.

Chase was hired by THPRD in 1998 as program director of the Discovery Program, an after-school program at Garden Home Recreation Center. In that position, he also created and implemented an off-site after-school program at BSD's McKay Elementary School.

In addition, Chase provided programming for THPRD after-school and summer camp programs focused on a wide range of activities including sports, cultural education, special events, field trips and community service.

"We're excited to have Spence leading our Community School Program," said Eric Owens, THPRD superintendent of recreation. "He's very knowledgeable and creative. His experience working with the school district, through the after-school program at McKay Elementary, will be a definite asset in this new assignment."

For more, visit www.thprd.org or call 503-645-6433.

DAILY JOURNAL OF COMMERCE Portland, Oregon

> New beginners skate park opens in Beaverton Posted: 04:00 AM PDT Tuesday, September 23, 2008 BY DJC STAFF

Fledgling skateboarders and in-line skaters will now have a place to hone their talents with the opening of the Tualatin Hills Park & Recreation District's new beginners skate park.

The new, 8,500-square-foot park is located adjacent to THPRD's advanced skate park at 158th Street and Walker Road, in Beaverton. The project was developed by THPRD's Athletic Center Advisory Committee, who saw a need for a park where beginning skaters could safely practice.

Funding for the \$350,000 park came from THPRD system development charges and a supplemental grant from the Oregon Parks and Recreation Department. Designed by Grindline Skate Parks of Seattle, the park includes a small concrete bowl and ramps, rails, seat walls, skateable concrete benches and other features.

Construction on the project was completed in August.

Tualatin Hills opens new skate park for beginners

Tuesday, September 23, 2008

The Hillsboro Argus

Beginning skateboarders, inline skaters, and other novices on wheels now have a specially designed, free admission skate park in the greater Beaverton area where they can develop their skills.

The Tualatin Hills Park & Recreation District recently opened the new 8,500-square-foot beginner skate park at its Howard M. Terpenning Recreation Complex, 158th & Walker Road in Beaverton.

The new park is adjacent to THPRD's original skate park, which is designed for more advanced users. That park opened in 1998.

The project was the brainchild of THPRD's Athletic Center Advisory Committee, a group of community volunteers who receive public input and make recommendations to THPRD staff about operation of Park District sports facilities. Committee members envisioned a place where beginning skaters could go to learn and practice safely at their own pace along with other newcomers to the sport.

Initial funding of \$175,000 came from THPRD system development charges. A supplemental grant of \$175,000 from the Oregon Parks and Recreation Department enabled the park district to complete the project.

Grindline Skate Parks of Seattle designed and built the park, which includes a small concrete bowl and ramps, rails, seat walls, skateable concrete benches and several other elements.

Construction began last April and was completed in August. The new park opened shortly thereafter. Dozens of users representing various age groups have tried it out.

"Parents are pleased, kids are excited, and the members of our committee are grateful that this project is now completed and the community can have a place for inexperienced skaters to learn," said Janet Allison, chair of the Athletic Center Advisory Committee.

Although the park was designed with the beginning skater in mind, advanced skaters are finding they also benefit from the new park. They can learn and practice difficult tricks at slower speeds.

Both skate parks are illuminated at night and open seven days a week from dawn to 10 p.m. There is no admission fee.

Formed in 1955, THPRD is the largest special park district in Oregon, spanning about 50 square miles and serving more than 200,000 residents in the greater Beaverton area. The district provides year-round recreational and educational opportunities for people of all ages. Offerings include a broad range of classes and more than 200 park sites, 40 miles of trails, eight swim centers, six recreation centers, and about 1,100 acres of nature preserve. For more information, visit www.thprd.org or call 503-645-6433.

Tualatin Hills opens new skate park for beginners on wheels

The Beaverton Valley Times, Sep 25, 2008

Beginning skateboarders, inline skaters and other novices on wheels now have a specially designed, free admission skate park in Beaverton where they can hone their skills.

The Tualatin Hills Park and Recreation District recently opened its new 8,500 square-foot beginner skate park at the Howard Terpenning Recreation Complex along 158th Avenue at Walker Road.

The new park is adjacent to the park district's original skate park, which opened in 1998 and was designed for more advanced users.

The Athletic Center Advisory Committee came up with the idea of the project to provide a place where beginning skaters could learn and practice safely at their own pace with other newcomers to the sport.

JAIME VALDEZ / THE BEAVERTON VALLEY TIMES Rex Sakamoto of Beaverton performs a "front-side olie" at Tualatin Hills Park and Recreation's newest skate park, located at Howard Terpenning Recreation Center.

Initial funding of \$175,000 came from the park district's cut of system development charges. It was matched with a supplemental grant of \$175,000 from the Oregon Parks and Recreation Department.

Grindline Skate Parks of Seattle designed and built the park, which features a small concrete bowl and ramps, rails, seat walls, concrete benches and other elements.

"Parents are pleased, kids are excited and the members of our committee are grateful that this project is now completed and the community can have a place for inexperienced skaters to learn," said Janet Allison, Athletic Center Advisory Committee chairwoman.

Both skate parks are illuminated at night and open seven days a week from dawn to 10 p.m. There is no fee to use the facilities.

Park district taps Spencer Chase to lead new community school program

Long-time recreation and education programmer Spencer Chase has been selected as coordinator of the Tualatin Hills Park and Recreation District's new Community School Program.

Chase, a 10-year park district employee, will plan, organize and coordinate sports, recreation classes, special events, educational and social programs and activities at

certain Beaverton School District facilities. He will also lead the park district's after-school program at Garden Home Recreation Center, where his new job is based.

As part of the Community School Program partnership with the school district, THPRD will develop and implement programs during evenings when schools are out of session. Initially, Five Oaks Middle School, Barnes Elementary and Hazeldale Elementary will host classes. The park district hopes to secure agreements with other schools in the future.

CHASE

The Community School Program will provide a variety of activities serving age groups from elementary school students to adults.

A limited schedule of classes will be offered in late October or early November as the program gets under way.

Those classes will include sports (soccer and basketball), education (reading, English and Spanish), computers, music and the arts.

Beginning in mid-October, students can [{]register online at www.thprd.org/activities/index.cfm and click on "Online Registration" or by calling/visiting any park district facility. They will also be able to drop off a registration form and payment at any of the three participating schools.

Chase was kired by THPRD in 1998 as program director of the Discovery Program, an after-school program at Garden Home Recreation Center. In that position, he also created and implemented an off-site, after-school program at McKay Elementary School.

In addition, Chase provided programming for the park district's afterschool and summer camp programs focused on a wide range of activities including sports, cultural education, special events, field trips and community service.

"We're excited to have Spence leading our Community School Program," said Eric Owens, superintendent of recreation. "He's very knowledgeable and creative.

"His experience working with the school district, through the after-school program at McKay Elementary, will be a definite asset in this new assignment."

Prior to joining THPRD, Chase worked for six years in the city of Eugene's Kid City Adventures After-School Program. He was site director at Fox Hollow School and Sheldon Community Center leader.

Cedar Mill home considered for historic registry

Cedar Mill's 145-year-old John Quincy Adams Young House has a date with history.

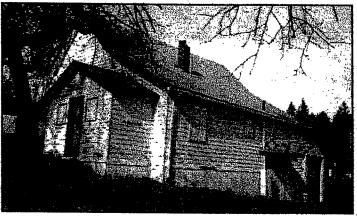

In about a week, the State Advisory Committee on Historic Preservation considers nominating the 1,500-square-foot, 11/2story house to the National Register of Historic Places. It would be another step in the house's historic journey that could end with its restoration, a spot on the national list and a community . center/park on Northwest Cornell Road.

"I think it's terrifically important," said Virginia Bruce, a longtime Cedar Mill resident and one of the community's unofficial historians.

"We're really an important historical community. This house is a symbol of that."

Doug Menke, Tualatin Hills Park and Recreation District general manager, said the possible national nomination could help the district raise enough money to restore the house "as a cultural, social and educational resource for the community."

The park district acquired the house and its property more than three years ago, and set up an

JONATHAN HOUSE / The Times

PLACE IN HISTORY - The John Quincy Adams Young House is owned by the Tualatin Hills Park and Recreation District.

than \$100,000 to restore the register. The John Quincy Adams building and develop the site.

"The John Quincy Adams Young House holds a highly significant place in the historic heritage of the Cedar Mill area and Washington County," Menke said. "We thank all the people who have supported this nomination effort to date and look forward to the decision by the State Historic Preservation Office."

Members of the state history committee meet Oct. 9 and 10 in Astoria to consider nominating ambitious plan to spend more several properties to the national

Young House will be considered in the afternoon Oct. 10.

Solid piece of history

Landing a spot on the National Register of Historic Places is a prestigious honor for properties like the John Quincy Adams Young House. The register maintained Ъy the U.S. Department of the Interior includes thousands of historically significant sites, buildings and properties. It often takes several months for a property to make it

on the list once it has been nominated.

Forty-one properties in Washington County have been named to the National Register of Historic Places.

The John Quincy Adams Young House was built in 1863 on about a half-acre near Cedar Mill Creek. The house was the region's first post office and general store for the fledgling Cedar Mill community. It is one of only eight Washington County buildings constructed before 1870. It also is the oldest structure north of the Sunset Highway.

John Q.A. Young's family came to Washington County in 1847. Two decades later, Young and W.E. Everson bought the Justus Jones sawmill on Cedar Mill Creek, a stone's throw from the spot Young built his house.

Bruce said putting the house on the national history list would boost Cedar Mill's place in the region's history.

"Nobody ever got around to creating a city, but Cedar Mill has always been a close community," she said. "The John Ouincy Adams Young house is really the only solid piece of architecture we have from that history."

Help the park district build for the future

Picture this. It's a warm and sunny Sunday afternoon and I decide to take the long way home after having lunch with my son in Portland.

I wind up in Cedar Mill on Cornell Road driving past the John Quincy Adams Young house, a wonderful restoration project spearheaded by an ad hoc advisory committee with support from the park district. Driving west on Cornell Road, I pass Sunset Park, turn in to the parking lot and park for a moment to watch every field filled with young women playing fast pitch softball.

Next stop is Portland **Community College on** Springville Road where the new fields developed by Tualatin Hills Park and Recreation District are host to an adult cricket match. Then on to the HMT Complex on 158th Avenue and Walker Road where the complex is buzzing with basketball, adult and youth soccer. adult and youth baseball, swimming, tennis, skateboarding, and biking with fans, spectators, and of course, children everywhere. And I can't forget the Nature Park where many cars are parked in the lot while folks walk through 200 acres enjoying nature in all its glory. What a joy.

Thinking I had seen it all and heading home on Walker Road, I pass Cedar Park at William Walker School where more soccer is being enjoyed by the Boy Scouts of America.

Now imagine my Sunday afternoon, without all these amenities built and maintained by Tualatin Hills Park and Recreation District.

Soon the wintry weather will be upon us and most patrons and users will move inside to take advantage of all the classes and programs offered by the park district while others play indoor sports and swim all year.

How much will the bond measure cost you per month?

Less than a gallon and a half of gas.

Less than a movie ticket. Less than a burger, fries and a milkshake.

Less than a specialty coffee and a muffin.

Help the park district build for our future and for future generations.

Vote yes for Tualatin Hills Park and Recreation District.

Vote yes for Ballot Measure 34-156.

JANET ALLISON Beaverton

A balancing act for voters

The poor economy might be the biggest hurdle Tualatin Hills Park & Recreation District faces in getting its \$100 million bond measure passed

By DAVID R. ANDERSON THE OREGONIAN BEAVERTON

ackers of a \$100 million bond measure for the Tualatin Hills Park & Recreation District say it has something for just about everyone.

Natural areas for birdwatchers, at least 6 ½ miles of trails for hikers, 12 new athletic fields - including two with synthetic turf - for ball players, and about 40 acres of new parkland for future residents.

The district's first bond measure of the 21st century also is the first since it changed its mission statement. The 53year-old agency, best known for playgrounds, ball fields and swimming pools, now places natural areas as its first priority. The bond measure promises to spend \$12 million on stream corridors and wildlife habitat. It also will set aside nearly \$16 million for trails.

The measure allocates about \$32 million to renovate parks and buildings. More than 60 sites would get improve-ments, from as little as \$47,500 at Roxbury Park to more than \$6 million at Cedar Hills Park.

By spreading the projects around district leaders say they're not spreading them thin - the measure is aimed at garnering support from just about everyone. A June survey for the district showed that 62 percent of voters supported a \$100 million bond measure.

No organized opposition has emerged, though some parks advocates have complained that not enough money is being spent on natural areas, given they received the most support in the survey

The biggest hurdle might be the recent credit crisis and financial meltdown, as housing prices plummet, banks fold and the cost of living shoots

up. Voters aren't in a spending mood, said Robert Whelan, a senior economist for ECONorthwest, the area's largest economic consulting firm.

"It's a tough sell; I just don't see it," Whelan said. "We see it in any kind of discretionary spending. Parks aren't a necessity. They're a nice thing, but they're not a necessity."

District voters will see a ballot that in-

cludes funding requests for fire services, the Oregon Zoo, Washington County fairground renovations and Portland

Community College. The best chance for the parks bond is if the election draws a lot of young vot-

Measure 34-156 Tualatin Hilis

Park & Recreation District

What: The district is asking voters to approve a \$100 million bond measure to preserve natural areas, build new trails, improve existing parks, buy land for new parks and improve existing facilities. How much: 37 cents per \$1,000 of assessed property value for 20 years. The owner of a \$250,000 house would pay \$92.50 a year. Information:

www.thprd.org/bond or 503-645-6433

ers, who are more likely to approve money measures because they don't own property, Whelan said.

If approved, the bond would cost 37 cents for each \$1,000 of assessed value for 20 years. For the owner of a \$250,000 house, that is \$92.50 a year in new taxes.

District property owners are still paying off a 1994 bond of \$25.9 million. That's another 12 cents for each \$1,000, although that amount will decline as the 1994 bond is paid off. The two measures would overlap for six years.

With a population of about 214,000, Tualatin Hills' roughly 50 square miles takes in Beaverton and surrounding unincorporated areas of Washington County. The district has gained about 48,000 residents in the past decade, which fueled the need for the bond, backers say.

The Trust for Public Land, a nonprofit land conservation group, is helping the district sell the measure. For the cost of a cup of coffee each week, voters can make an investment that would bring parks closer to their homes, said Joshua Alpert, the group's director for Northwest conservation services.

Spence Benfield, chairman of the committee that came up with the initial list of projects, said, "I think most people can afford it. It is not the time to be shortsighted."

Even if the measure passes, it won't cover the estimated \$242 million in improvements identified by the district's 2006 master plan. Grants and other matching funds will supplement the \$100 million, Alpert said.

Parks: Community centers didn't make the cut

Continued from Page 12

The overall focus is on purchasing vacant land while it's still available, said Doug Menke, the district's general manager. But the district has made choices.

The most expensive item missing from the bond is two community centers. District leaders decided to omit a community center after the survey showed low support. However, the bond would set aside \$5 million to buy land for a community center in the district's southwest quadrant. A deal with Portland Community College's Rock Creek Campus could provide land for the other center.

The measure also gets the district closer to a goal of having a neighborhood park within a half-mile of every residence and a larger community park within two miles. Menke said.

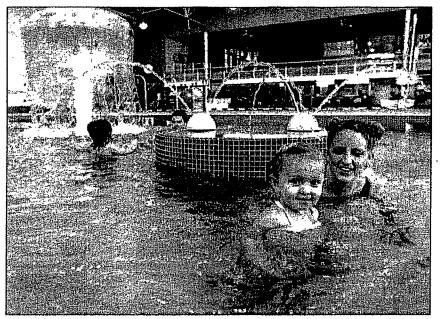

The measure adds 12 athletic

fields. That might sound like a lot, but in the past three years, the district has lost 19 fields as the Beaverton School District needed to expand buildings, Menke said. It expects to lose 10 more fields in the next year.

Based on the survey, the district decided to upgrade several facilities as old as 70 years instead of tearing them down and starting over. Some facilities, such as the Conestoga Recreation & Aquatic Center, built after the last bond measure, already are deemed inadequate. Conestoga will get a new classroom, locker room, parking additions and a water playground for young children.

Although district officials say natural areas are high priority, two past board members question that commitment. Barbara Wilson and Terry Moore said they are disappointed the measure dedicates only \$12 million for natural areas. Of that, 70 percent will go to acquisition and the remainder will be used to return areas to a more natural state.

District officials have estimated the cost of land along creeks and other areas where it is difficult to build structures at \$7,500 to \$10,000 an acre. They have not said, however, how many acres they hope to purchase or

where.

Wilson said the parks district didn't meet the promises of the 1994 measure. District officials acknowledge that the cost of land was higher than estimated, so several projects were scaled back.

This time, they said, they learned from those mistakes.

Officials tried to be conservative, estimating buildable land at \$500,000 an acre and have set aside money for cost overruns, said Keith Hobson; the district's business and facilities director.

The parks board has agreed to a separate annual audit of the bond spending and to form a citizen board to oversee spending.

To help come up with priorities for the bond measure, the committee played a game scenario. Alpert likened it to Monopoly. Members considered public support from the surveys, the costs and other factors as SOUTHEAST QUADRANT | Savde Thoreson swims with 2vear-old daughter Gerty Kelly at the Conestoga **Recreation & Aquatic Center** in Beaverton. If the bond measure passes, the center will expand by 8,800 square feet and have 6,200 square feet remodeled.

DOUG BEGHTEL THE OREGONIAN

they bought projects. The players included advocates for athletic fields, natural areas, trails and most everything the district provides. There was surprisingly little conflict.

"We were able to give something to everyone in the district," Benfield said. "It will touch everyone's lives."

Park district seeks two Budget Committee members The Tualatin Hills Park and Recreation District is now accepting applications to fill two positions on its Budget Committee.

Applications will be accepted through Friday, Oct. 17. Both positions are three-year terms. Applications are available at the park district's Administration Office, 15707 S.W. Walker Road, and online at www.thprd.org.

For more information or to request an application, contact Jessica Collins at 503-645-6433 or jcollins@thprd.org.

Aloha park building faces demolition today

Friday, October 10, 2008

The Hillsboro Argus

A Washington County Jail inmate work crew is scheduled this morning to demolish a building associated with gang activity in an Aloha park.

The concrete structure in Arnold Park, 17770 SW Blanton St., houses several unusable rest rooms, and serves as a target for repeated graffiti "tagging," said Washington County Sheriff's Office Sgt. David Thompson.

Neighbors living near the park have become increasingly concerned about recent gang activity and other crime in the park. In September, a shooting in the park left one man wounded. A juvenile was charged with attempted murder. Both shooter and victim were believed to be members of local gangs. A man attacked a woman at the park last year also.

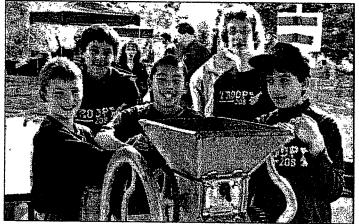

The Beaverton School District supports the demolition. Its International School is adjacent to the park.

Staff from the Tualatin Hills Parks and Recreation District will assist the work crew.

In addition to demolishing the building, THPRD personnel are working to clear overgrown brush to eliminate places for people to hide.

All this work should have a dramatic positive impact on the livability of Arnold Park, Thompson said.

BEAVERTON

New skate park open at recreation complex

Tualatin Hills Park & Recreation District has opened a beginner skate park at its Howard M. Terpenning Recreation Complex, at the intersection of Northwest 158th Avenue and Southwest Walker Road.

The 8,500-square-foot park is lighted at night and open from dawn to 10 p.m. daily. There is no admission fee.

The skate park was paid for with \$175,000 from the park district's system development charges and a \$175,000 grant from Oregon Parks and Recreation. It is next to the district's original skate park, which was designed for advanced skaters.

The beginner park includes a small concrete bowl and ramps, rails, seat walls, skateable concrete benches and other elements.

Support parks measure

I want to clarify my support of the bond measure proposed by the Tualatin Hills Park & Recreation District. I was quoted as being disappointed that the measure did not include a higher percentage of funds for natural area acquisition and restoration ("A balancing act for voters," Oct. 9). That is true, but the measure does include many things for sports and recreation and, more importantly, funds to acquire land that is needed to support healthy lifestyles. I urge everyone to support the measure - parks and open space are a necessity!

> Terry S.H. Moore Park district board member, 1995-2003 Garden Home

Vote now, pay later

I'll bet that everyone who receives his property tax bill each year looks first to see how much he has to spend on taxes, then says something like "doggone it, it's up again." Yet, most of these people felt, at the previous election time, the need to support one or more tax measures. Don't people remember that what they vote for today, they have to pay for tomorrow?

Please, please, please, consider what our tax bills are today before you vote for any increase or bond measure. Sure, we all have priorities, but is it really necessary to spend an extra \$100 a year for more parks, or whatever that special district or government agency is asking to increase its service or projects? Look at your own budget closely. What you don't vote for today may just give you the money to make that house payment tomorrow.

CEDAR MILL

Have fall fun at Cedar Mill Cider Festival

The Second Annual Cedar Mill Cider Festival will take place from 1 to 4 p.m. Sunday on the grounds of the John Quincy Adams Young House at Northwest 119th Avenue and Cornell Road. Bales Marketplace Cedar Mill has donated hundreds of pounds of fresh apples, and members of area Boy Scout troops will help. festival-goers press cider from the apples. Event coordinator Virginia Bruce said, "It was great to see how much people enjoyed watching the presses work last year."

Bruce added that local band Ida Viper will play bluegrass, jazz and swing tunes from the 1920s and '30s, and Burnt Ends will serve pulled pork and beef brisket sandwiches, as well as hot dogs for kids. Cedar Mill's Leedy Grange will sell apple crisp and ice cream, while the cider to wash it down is free. "It really is a fun event for the whole family," Bruce said.

The festival is presented by Tualatin Hills Park & Recreation District, which will display information about the house and grounds. Donations for restoration work planned for the property will be accepted. Parking is available at Cedar Mill Bible Church, 12208 N.W. Cornell Road, after 1 p.m. For more information, call the park district at 503-629-6355.

Cedar Mill Cider Festival: 1-4

p.m. The community is invited to enjoy cider and a barbecue lunch. Live music by Ida Viper, children's games and more. Donations welcome. John Quincy Adams Young House, Northwest Cornell Road at 119th Avenue; 503-629-6355
