Safe Swimmer Pledge

Water safety should be at the front of our minds at all times, so join THPRD Aquatics and celebrate May as National Water Safety Month. The Safe Swimmer Pledge is easy to remember and a great way to engage your children for National Water Safety Month.

You can print off the pledge to present to your child. Have your child sign the pledge and post on a wall or refrigerator as a long-term reminder of safe swimming tips. Be sure to share the pledge with your friends and family, to get everybody involved in staying safe in the water.
