## Writing Practice: Sight Words

Sight words are words that a reader should be able to see and recognize without sounding out the letters. Sight words are common and frequently used words that will help build your student's vocabulary!

Use this list of 40 sight words to practice identifying each word, read the word and see if your preschooler can find it in the down below! Once they are familiar with the sight words, have them practice tracing over each sight word and then writing it out.
