TIMBERLAND PARK TO BE CELEBRATED AT JULY 13 CONCERT

The Tualatin Hills Park & Recreation District has scheduled a dedication ceremony during intermission of its regularly scheduled concert performance on July 13 at Timberland Park in the Cedar Mill area (11620 NW Stone Mountain Lane, Portland).

The ceremony will celebrate development of the park and other THPRD recreational amenities at Timberland.

The free concert, featuring Trashcan Joe, will begin at 6 pm at the park. During the intermission at about 7 pm, a brief ceremony with spoken remarks and ribbon-cutting will be held. The band will then return to the stage and play until the 8 pm conclusion.

THPRD will provide free cake and several door prizes, including tickets to the district's Aug. 19 Groovin' on the Grass concert with Quarterflash, Curtis Salgado and Nu Shooz. The THPRD Rec Mobile and THPRD Nature Mobile will offer a variety of fun activities for children and park district employees will host an information table.

Trashcan Joe will deliver high-quality music from instruments made of recycled products.

Timberland Park is located on the old Teufel Nursey site, right across the street from a new middle school built by the Beaverton School District. Highlights include a splash pad water feature, play equipment, public plaza with seating and drinking fountain, and an open lawn area for picnicking and play.

There are many more recreational amenities in the Timberland community, most of which THPRD owns, operates and maintains. These include additional play equipment and picnic areas, trails, greenways with creeks and wetlands, and an all-accessible elevated boardwalk and viewing deck that overlooks the historic Cedar Mill Creek Falls.

Altogether, the parks and trails encompass nearly 20 acres.

Polygon Northwest created the amenities while developing the Timberland community, which features housing and retail stores. The company subsequently transferred ownership, operation and maintenance of the features to THPRD.

“We’re pleased with how everything turned out,” said Doug Menke, THPRD general manager. “It looks good, and we’re confident the residents will enjoy using all the amenities for years to come.”

About THPRD

THPRD is the largest special park district in Oregon, spanning about 50 square miles and serving 240,000 residents in the greater Beaverton area. The district provides year-round recreational opportunities for people of all ages and abilities. Offerings include thousands of widely diverse classes, more than 95 park sites with active recreational amenities, nearly 70 miles of trails, eight swim centers, six recreation centers, and 1,500 acres of natural areas.
