2021

Full-day camps • 12-16 yrs • Financial Aid Available

Safety Information

Some photos in this guide were taken before the pandemic. All camps will follow current health and safety guidelines, including the wearing of masks.

Kids interacting safely

THPRD is committed to providing a fun, memorable, and safe camp experience for all.

Camps will consist of small, stable group sizes with consistent staff. Activities will be modified to maintain physical distancing and reduce touchpoints. Daily health screenings will also take place at drop-off to track symptoms and potential illness.

Current guidelines require masks to be worn by all participants ages 5 and older, inside and outdoors. People with a disability or medical condition may request accommodation if they cannot wear a mask or face covering. We will continue to monitor state and federal guidelines and will adapt our programs, as needed, to ensure the safety of all participants.
